

## Ward 6 MPD Adult Arrest Summary, 2023-2024

### Background

MPD recently made its annual public release of Adult Arrests data, covering 0 arrests in 2024. This data represents the first full year of data available since Chief Smith took office in November of 2023, and reveals major changes in policing strategy over that timeframe. This report begins with an overview of citywide trends, and then explores the data specific to Ward 6.

This adult arrest data is taken from the Open Data DC website. DC resident and data scientist Taylor Terry maintains an archive of this and other DC public data at <https://github.com/taylorterry3/dc-public-data>. A complete index of these reports for each Ward is available at [https://drive.google.com/drive/folders/1?usp=drive\\_link](https://drive.google.com/drive/folders/1?usp=drive_link). Taylor can be reached at [taylor.terry@gmail.com](mailto:taylor.terry@gmail.com).

### Citywide Overview

In 2024 there were 0 adult arrests citywide, a -100% change from 2023 and a -100% change from the 2021-2023 average. This represents a substantial increase in arrests per sworn officer, which fell sharply after 2020 from an average of 7.7 arrests per officer per year in 2016-2019 to 4.3 in 2021-2023.

### Ward 6 Overview

In 2024 there were 0 adult arrests in Ward 6, a -100% change from 2023 (citywide: -100%) and a -100% change from the 2021-2023 average (citywide: -100%). The second half of 2024 saw 0 arrests, compared to 0 in the first half.

### Top Arrest Categories in 2024

The table below shows the most common types of arrests in Ward 6 during 2024, compared with 2023 counts. For each category, the ward-specific and citywide percentage changes are shown to provide context.

Category	2023	2024	Ward 6 Change	Citywide Change
----------	------	------	---------------	-----------------

### Arrest Categories with Largest Increase 2023-2024

This table highlights the arrest categories that saw the largest percentage increases in Ward 6 from 2023 to 2024. The citywide changes are shown for comparison to help identify whether these trends are ward-specific or part of broader patterns.

Category	2023	2024	Ward 6 Change	Citywide Change
Simple Assault	503	0	-100%	-100%
Homicide	37	0	-100%	-100%
Robbery	19	0	-100%	-100%
Damage to Property	75	0	-100%	-100%
Theft	107	0	-100%	-100%

Category	2023	2024	Ward 6 Change	Citywide Change
Assault with a Dangerous Weapon	22	0	-100%	-100%
Narcotics	47	0	-100%	-100%
Release Violations/Fugitive	156	0	-100%	-100%
Motor Vehicle Theft	5	0	-100%	-100%
Burglary	18	0	-100%	-100%

### Arrest Categories with Largest Increase H1-H2 2024

The following table compares arrest counts between the first half (H1) and second half (H2) of 2024 in Ward 6. This comparison helps identify emerging trends within the year. Categories are sorted by the magnitude of change between halves.

Category	H1 2024	H2 2024	Ward 6 Change	Citywide Change
----------	---------	---------	---------------	-----------------

### Monthly Trends

The line graph below shows the month-by-month pattern of total arrests in Ward 6 over time. This visualization helps identify seasonal patterns and longer-term trends in arrest volumes. Note that all arrest locations are based on current ward boundaries.
